

Abrar Alzubaidi

Software Developer

Jordan, Amman | abraralzobaide98@gmail.com | +962785259866
[linkedin](#) | [github](#)

OBJECTIVE

Passionate Computer Engineer in software development and a commitment to continuous learning, seeking opportunities to contribute my skills and expertise to innovative projects in the field. Agreed with “trying and starting over again” because this time any hard worker will start from experience not from scratch.

EDUCATION

- Abdul Aziz Al Ghurair School of Advanced Computing, Jordan/Amman, Certificate - Full Stack Software Developer - Jan 2022.
- Albalqa University/ Faculty Of Engineering Technology - Jordan/Amman, Bachelor's Degree- Computer Engineering - Mar 2021.

EXPERIENCE

- Full Stack Software Developer at Luminus Technology University College, Nov 2022- Mar 2024.
 - Build a totally developer-free website.
 - Collaborating with teams.
 - Handle meetings and project requirements.

PROJECTS
